PATCHWORK IN SCOTLAND

Baltimore Class:

Please bring with you the following:

Sewing kits,
sharp scissors,
fine needles,
cotton threads in their colour (silk if you have them),
fine pins etc
any fabrics you have already picked out so that Yvonne can see them.

Yvonne is bringing a selection of fabrics based on the colour choices that everyone has indicated, so there will be a chance to buy fabrics on the day. The backing fabric, silk thread etc will be available to buy and to order.

We have attached the directions to help you find the studio – Ruth's mobile number is 07803 935779 for anyone who needs help on the day.

See you soon,
